## ***Datateam Business Media Limited Standard Terms and Conditions***

All orders for insertion of advertising in any publications of Datateam Business Media Limited (here after referred to as the Company) are accepted subject to the following terms and conditions.

### **Quotation and Prices**

Any prices quoted shall be available for acceptance for up to 30 days. Such prices will be subject to Vat where applicable at the prevailing rate at the date of invoice.

Should additional expenses be incurred by the Company as a result of variation / change of instruction or failure by the customer to provide the same, or if delivery of such instructions does not permit the work to be carried out in normal hours, then the company may make such additional charges as are necessary to cover the additional costs.

### **Cancellation**

The Company reserves the right to charge the full rates quoted for orders unless cancellation is received in writing seven days prior to copy deadline in respect of one off insertions and six weeks in the case of insertions that form part of a series. Should discount be given on the prices quoted for a series of insertions and the series be cancelled before all the insertions in the series have appeared, then we reserve the right to revert to the rate card rate for the insertions that have appeared and to raise any additional invoice as is necessary.

### **Payment**

All orders shall be paid for in advance of publication, unless account facilities have been granted by the company. Where account facilities are granted these are subject to our standard terms and conditions whereby all invoices are payable 30 days from date of invoice. Where payments are not made within the standard terms and conditions we reserve the right to close any such account facilities that have been granted and to charge interest at 2 ½% above Nat West Bank plc base lending rate.

### **Liability**

The Company hereby excludes itself, its employees or agents from any liability for any loss or damage arising from any error in accuracy or omission, for damage to artwork / photos however so caused.

It is the responsibility of the advertiser to check that the copy of their advertisement is correct and that any errors or omissions are immediately notified to the Company

### **Copyright**

All printed matters appearing in a publication of the Company carries a copyright and no part of it may be reproduced without the written permission of the Company.

An advertiser placing an order warrants that all necessary authority and permission has been obtained for the use of all the materials in the advertisement, in whatever format those materials are in. The customer will indemnify the Company against any action, proceedings, claims and costs arising from a breach of this condition.

### **Acceptance of these terms and conditions**

The placing of an order, whether verbal or written for insertion shall be deemed to be an acceptance of the above conditions. Any conditions stipulated on any order or agency's order form or elsewhere shall be void in so far as it conflicts with our terms and conditions.
